# Hillman Owners Club of Australia Inc

## 15<sup>th</sup> Hillman National Rally

8<sup>th</sup> - 12<sup>th</sup> May 2020

The Hillman Owners Club of Australia Inc warmly invites you to join us for the National Rally at Wagga Wagga in the Riverina of NSW, where paths cross and people meet. It is situated on the Murrumbidgee River and is the state's largest inland city - just 451 km from Melbourne, 461 km from Sydney and 918 km from Adelaide! The Wiradjuri people traditionally travelled vast distances to meet in Wagga Wagga, so it's fitting that we continue to utilise this beautiful area - which means 'A Place Of Many Crows' as our meeting place. The region could be called an 'old car' enthusiasts' dream - so many long, straight roads, beautiful country scenery and rolling hills in the distance. Wagga Wagga is a diverse city that is filled with friendly people, beautiful buildings, and magnificent gardens, and is justly proud of its cultural and sporting heritage. Can you name Wagga's sporting heroes? So many things to see and do!

Welcome to the first newsletter for the 15<sup>th</sup> Hillman National Rally at Wagga Wagga NSW. Did you notice we've popped in something extra? We have prepared such a wonderful program for you that we needed just one more night. So - we have 4 nights together and depart on our separate ways on Tuesday morning.

Rally Headquarters has been selected and will be at the Mercure Hotel, which is in the centre of the city and enables us easy walking access to shops and city sightseeing if we wish. The hotel has set aside various styles of accommodation for rally entrants that I'm sure will suit us all. All rooms have wifi, tea and coffee making facilities, mini bar (own expense), coin operated laundry etc. There is ample parking for our vehicles (including trailers) and even an area to wash our cars. Perfect!

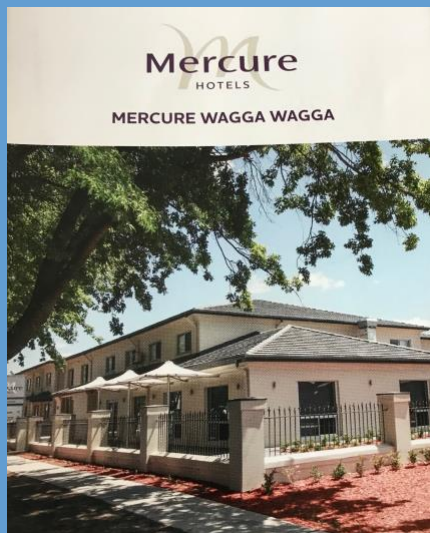

We ask that you make your own booking for accommodation. Although it may seem early, we suggest you secure your accommodation as soon as possible to ensure you have your preferred choice of room.
