**8th - 12th May 2020**

**WAGGA WAGGA NSW - 'The Place of Many Crows'**

Well 2020 has finally arrived and we are much closer to the 15th Hillman National Rally, meeting up with old friends, making new ones and of course admiring the work that has gone into maintaining and restoring these lovely classic cars.

Our program for the rally is well rounded, with some interesting drives around the Riverina area to visit some of the outlying villages, an invitation to visit a local farm from a member of the Wagga Automobile Club, as well as a fun evening of surprise entertainment at Rally Headquarters. There will of course also be a bit of free time for people to explore and enjoy the sights of Wagga between organised events.

Please note that full payment is due no later than 2 March 2020.

Bookings for accommodation are to be made directly with the Mercure Hotel - advise you are part of the Hillman National Rally. Hot breakfast is also discounted at \$15pp and not included in your rally costs. For anyone wishing to explore alternate accommodation, the website [visitwagga.com](http://visitwagga.com) has many other options as well as a lot of information about the city and surrounding areas. Well worth a browse. If staying at the Mercure we recommend securing your accommodation as soon as possible. The room configurations and discounted costs are below:
